From the Principal

We have made it to the end of another term. I can’t believe we only have 1 term left of the year. We have a busy last week as you can see from the calendar items. Term 4 will be a busy term as it always it.

A letter came home last week informing parents of class changes for next term as we have been given an extra teacher allocation. At this stage we are moving the year 5s into their own class with Mrs Sarah Donaldson.

Speed soccer is on Friday for students in Years 3 to 6. Money was due back today. Please pay this ASAP. Students have committed to a team and the draw has been completed so it would be very difficult for students to withdraw from this stage. Our P&C is catering this event and we are expecting over 600 participants if you are available to help during the day, please contact P&C president Amy or the office to let us know. All parents are welcome at the Laidley Recreation grounds to cheer on our teams between 9:30 & 1:30pm. If you take your children before the end of day, please let a staff member know.

Next term school resumes on Tuesday 4th October. It is another 10 week term. We have 10 weeks of swimming lessons on Thursdays, beginning week 1 6th October. See Mrs Jensen in the office if you haven’t received your invoice for swimming. There is a student free day on Monday 17th October. A calendar will come home with all events at the beginning of next term.

Thursday is pizza party day for students who have had 100% attendance this term. Congratulations to those healthy students that avoided the bugs.

We will put out all the lost property this week in the undercover area - please check out these items if you are missing anything.

Teaching and Learning

We are in the process of organising next year’s camp. We are planning on taking 2017 Year 4, 5 & 6 students to Longreach. Parents have been sent home invoices for camp deposits - remember seats are limited for this camp. Pay your deposits ASAP so save your child’s spot.

A big thanks to our wonderful staff for all their hard work this term. Our students are making great progress with their learning thanks to their efforts. I am a firm believer that a great teacher makes all the difference to the learning our students. We are also so lucky to have amazing teacher aides that support teachers and our students so well.
Chappy Corner

It will soon be holidays! I do hope you all have a very happy break. If your child is aged 9-13 and is interested in going camping in the holidays, below is a flyer for SWAK. It is an action filled, fun camp at Atkinson Dam. The cost is now $100. You can call me if you have any questions.
See you next term!

Chappy Christina 😞
